HANGING / INSTALLATION NEEDS

- ☐ Accepted work must arrive display-ready. Unusual adhesives, drilling, heavy installation, or special hardware require advance approval.
- ☐ LoveJoy Market/Jessie selects the final body of work and may decline pieces that do not fit the available space, safety requirements, or display plan.
- ☐ Every installed piece is inventoried before display. Work is not added, removed, swapped, or relocated without approval.
- ☐ There is no featured-artist participation/display fee. Any art-sale handling, commission (if any), or payout timing is agreed with Jessie before display.
- ☐ Sold work remains in place until the approved release/pickup point unless Jessie approves otherwise. Pickup/de-install deadlines must be followed.
